From the East

Brethren Pacific Grove Lodge #331,

It is with true appreciation for the blessings which the Great Architect has provided in our lives collectively and toward our individual families that I am still greater enthused about our lodge and its continued impact in our community. I gain a deeper feeling of Brotherhood each time there is an opportunity to engage with you, my Brethren in Freemasonry. Your true character and real concern about all our Brethren provides evidence of the sincerity which each of you approach our role in the improvements in our lodge, our community and our country.

I humbly request your presence at our September Stated Meeting. It is always appreciated to see Brethren who find a bit of their time to attend and support the events and activities within the lodge and our district. We, your lodge, have some upcoming events which the plans and execution can be made more manageable with your support.

I ask that you remember all our Brethren when giving thanks and praise to the Great Architect of the Universe and ask him to protect all our Brethren in Freemasonry, and ask to look down with his continued love and support for my Brother Kurt Ferguson, PM.

Sincerely,
Ronald Chambliss PM
Master Pacific Grove Lodge #331

.Brethren,

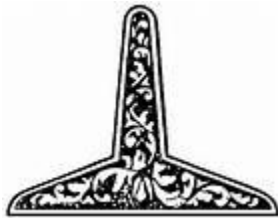

Visited with Brother Jon Pariser, he is really happy with the number of visitors from the local Lodges. He will be confined for a while yet, so keep up the visitations. The September SOI will be held at Carmel Lodge on September 29, 2015 at 7:30PM. We will go over the legislation for Grand Lodge Communications and whatever new information I received at the Grand Lecturer's Retreat in August.

Brethren, I strongly recommend that you be prepared to advance or at least start right now, if you are going to advance in the line. I am available to assist you, but you have to commit to your proficiency for advancement.

Fraternally,

Herschel R Amos, P.M.

Inspector

From the West

Fall is always an exciting time. Many changes are in the air, days are shorter, kids are back to school, schedules change & activity at the lodge picks up.

This year is no exception, in September we welcome the Very Worshipful Grand Secretary Alan Casalou for our Stated Meeting and our Social Dinners return after a hiatus of summer vacation.

In October we there is the Grand Lodge Annual Communication, our Social Dinner and a rumored double first degree. In November we are having a Thanksgiving preview at our Social Dinner with our Brothers at the Monterey Lodge. Then there is the once in a lifetime chance to attend the World Conference of Masons in our own back yard in San Francisco.

I look forward to these events and the time to spend with you.

Mark Burger, Senior Warden

Update from the TEMPLE BOARD

SEPTEMBER 2015

In late August and the first few days of September we made major strides in the Recreation Room.

The room was repainted, the old carpet pulled up, the floor sealed and new carpet was put down.

Additional improvements planned are the all of the paneling getting a fresh application of wood polish and a new electric fireplace.

New sofas are planned in addition to complement the existing chairs, tables and mirrors that have been acquired.

"One of the most sincere forms of respect is actually listening to what another has to say."
